The Journal publishes peer-reviewed, original research papers, critical reviews, technical reports, and notes and comments covering all aspects of ecology. Manuscripts are judged on the basis of their contribution of original data and ideas or interpretation. Manuscripts are edited where necessary for clarity and economy.

Manuscripts submitted must not have been published, accepted for publication, or be under consideration elsewhere. All papers accepted become the copyright of the Society.

Editorial Correspondence

Manuscripts and editorial correspondence should be addressed to: Dr Seigo Higashi, *Ecological Research*, c/o Graduate School of Environmental Earth Science, Hokkaido University, Sapporo 060-0810, Japan (fax: international +81 11 706 4864; Email: ecores@ees.hokudai.ac.jp).
